## What some of our happy customers have to say about our products:

*My body skin is unbelievably soft! *I love it! I had a bad auto accident that resulted in broken, then arthritic, knees and whenever they are swollen/hurt the (Dead Sea Bath) salts washes away the pain. ## Happy Customer Testimonial by R.R., USA

*So now I have the Ein Gedi spa in my bathroom! It's wonderful. I purchased the bath salts...so amazing...and the mud...the smell takes me seaside by the Dead Sea. Recently I ordered two 5-lb. tubs of the salts because the 2-lb. tub just wasn't enough. The salts are the best. They are healing up this persistent, very itchy rash and I am so relieved. I love your products. The moisturizer is great. It is not greasy, but moisturizes well. Interesting how it is readily absorbed into the skin.*
